Date of inspection: 28 November 2023

Hello Everyone

I recently came to Bure Park to see how well you are all doing during your time in residence at school.

It was nice to see how you have all decorated Breydon, Yare and Waveny house in time for Christmas. The Christmas spirit was indeed in full flow when it began to snow during my visit!

I had great fun at Norwich gravity trampoline park with some of you and being able to be part of your evening meal at Pizza Hut. It was clear to me that you possess excellent trampoline skills and also how well you get along with each other so you could all have a good time.

As part of my visit I said that residence is 'good'. I think this because the staff know you well. They understand you, and they offer you the help that you need, when you need it. They are well trained. You told me that you mostly get along with each other and you like your staff.

You all get to undertake exciting activities that nurture your talents and interests.

You are all making good progress in school. You have time to read in residence, there are exciting ideas such as 'bookflix' that highlight interesting further reading for you to enjoy. Some of you told me how motivated you are to reach higher privilege levels in residence and how much you appreciate your 'Earnie's'.

Staff are supporting you well in beginning to increase your life and independent skills.

Miss. Ross and Mr. McLaren work very hard to make sure that you get the best experiences in residence and in school. It was great to see you all again. Keep up the fantastic work and take care.

Mark
