Date of inspection: 23 May 2022

Hello Everyone

I recently came to Bure Park to inspect the residential provision.

I would like to thank you all for being so welcoming and helpful throughout the inspection. I really enjoyed my time with you all. It was a genuine pleasure to meet you, talk with you and listen to you.

It was great fun bowling and playing football. I realised that I am not quite as fast as I used to be! Thank you for letting me take part and being patient with me.

I judged residence as 'good' as I could see that it is an exciting, fun and happy place to be. Some of the aspects that I really like include:

- Your many opportunities to access an excellent range of activities that keep you busy.
- How the residence staff know you well. They understand you, and they offer you the help that you need when you need it. Your morning and evening routines at Breydon and Waveney are relaxing and well-spirited. I could see the great rapport that you have with staff and with each other.
- Your accommodation is modern and vibrant with lots of interesting things to do. You told me that you like your spaces.
- You are all making progress at school, which is fantastic. I was impressed when Miss Ross and Miss Keen showed me your recent achievements in your education.

Mr McLaren and Miss Ross are working hard to make sure that you get the best experiences in residence and in school. It was a pleasure to see how staying in residence has helped you to make friends and broaden your experiences.

Thank you again and keep up the fabulous work!

Mark
